TO : L. R. Houston

DATE: 26 February 1951

FROM : 25X1ASUBJECT: Attached Memorandum by dated 21 Feb. 1951, re Agency Leave Policy for Personnel Serving Overseas 25X1A

Paragraph 2d, recommending the adoption of the State Department foreign service leave plan for all CIA foreign service personnel, appears to me to go somewhat beyond what was agreed on at the meeting, as well as being somewhat outside the scope of the meeting. Further study should be made before adopting that system for all CIA foreign service personnel.
